CONSENT FOR CHILD'S VACCINATION: I have received and read the 2009 Vaccine Information Statement for the FLU NASAL SPRAY (Live, Intranasal Influenza Vaccine). The FLU NASAL SPRAY should not be given within 4 weeks of a MMR (measles/ mumps/rubella) or varicella (chickenpox) vaccine, so I will inform my child's doctor that my child will be receiving a FLU NASAL SPRAY vaccine at school between October—December 2009. I understand the risks and benefits , and give consent for my child, named at the top of this form, to receive the FLU NASAL SPRAY. I also consent to having information regarding my child's influenza vaccination shared with my child's doctor and my child's health insurance company.
